Hi Mike,

The only questions we have are: Will MSP keep a laboratory presence in Western Mass? When will we implement MSP SOP?

Thanks,

This was anticipated yesterday and we have been collecting the concerns. Nicole and I will get them into a single presentation from Jamaica Plain. Perhaps Amherst and JP could swap lists of questions and trim the redundant concerns.

The Massachusetts State Police will be scheduling a meeting to be held at HSLI with staff within the next few weeks to discuss the transition of the Drug Laboratories from DPH to EOPS. If there are specific questions or concerns that you would like EOPS to address in that session, please forward them to your respective unions who will compile them and provide them to EOPS prior to the meeting.

I will provide additional information at it becomes available.
